OUR STORY

Brother-sister duo Trent and Kimberly Jackson founded JAX in 1996 with their vintner father, carving a niche among next-gen wine enthusiasts by bucking old-school Napa trends and focusing on their family vineyard's terroir. With winemaker Kirk Venge and later partner Dan Parrott, they've built JAX and its Y3 label into a producer of balanced, site-driven wines that honor both their heritage and three generations of land-tilling entrepreneurs.
